

Thank you for your latest request. I attach an email from Sarah Considine, Senior Manager - Development & Projects, which constitutes the GLA Planning response to date in relation to the previously listed pre-application documents relating to proposals for residential 'enabling' development at the Gurnell Leisure Centre site.

You will note that Sarah refers to *"my previous request for the built development to be restricted to the previously developed sections of the site"*. For the avoidance of doubt, this earlier request was made verbally at a meeting, and not as part of any written response.

Yours sincerely
