

FOI Request -BBC London TV News Research

To: Mayor (mayor@london.gov.uk)

Hello.

We are looking to gather information on the number of London businesses moving outside of the capital after being priced out. We are aiming to build a picture of what London could look like in 10-20 years time.

- We would like figures on:
- the numbers of businesses moving outside the capital in the last 1-5 years
  - the numbers of businesses opening in the capital in the last 1-5 years ♦are they large chains e.g. American chains?
  - the number of businesses moving to Farnborough

I can also be contacted directly on 0207 765 0937.

Best,
