Dear [REDACTED]

Thank you for your request for information which the GLA received on 10 January 2018. Your request has been dealt with under the Freedom of Information Act 2000.

You asked for;

...an up to date list of all contractors, subcontractors and suppliers that have or will be involved with the construction of a business-led mixed use development for up to 374,067 sq m (GEA) of floorspace (excluding basement) for business; retail, financial and professional services, food and drink uses, community and cultural, and assembly and leisure uses; residential; car parking and energy centre; new servicing routes, highways and landscaping, public realm improvements, public open space, access, and associated development. (Asian Business Park)

The GLA's contractual relationship for the development of Royal Albert Dock is with ABP (London) Investment Limited directly. They then appoint their own principal contractor, sub-contractors and suppliers. CITIC is their principal contractor and MPX is their principal sub-contractor.

If you have any further questions relating to this matter, please contact me, quoting the reference MGLA100118-0023.

Yours sincerely

Paul Robinson
Information Governance Officer
