Dear [REDACTED]

Thank you for your request for information which the GLA received on 29 July 2018. Your request has been dealt with under the Freedom of Information Act 2000.

You asked for;

How much money has been spent on regeneration within this council area for the times specified? I would like to know the total cost for the year 2017 (January 1st 2017 to December 31st 2017) and the total cost for the year 2007 (January 1st 2007 to December 31st 2007).

Please note that the Greater London Authority (GLA) is London's strategic government and does not operate in the same way as local Borough Councils. You may wish to contact the individual local Borough Councils for information within each of their areas:

<https://www.london.gov.uk/in-my-area>

The GLA Regeneration Team did not exist until 2012, so we do not have any spend figures in 2007, we also account in financial years April 1st – March 31st.

Cost in 2007:	Cost in 2017/18 FY
£0	£42,853,995

If you need more information about the role and work of the GLA, please go to our website: www.london.gov.uk.

If you have any further questions relating to this matter, please contact me, quoting the reference MGLA300718-9117

Yours sincerely

Paul Robinson
Information Governance Officer
