Dear [REDACTED]

Thank you for your request for information which the Greater London Authority (GLA) received on 28 April 2021. Your request has been dealt with under the Freedom of Information Act 2000.

You asked for:

On the 28th May 2021 the Mayor of London stated that he has beat his target of over 1001 CLT homes in the pipeline. Can you provide a breakdown of where these CLT homes will be built and the timescale on which they will be delivered?

Our response to your request is as follows:

The Mayoral target, as set out in the London Housing Strategy, is to identify a pipeline of community-led housing schemes by 2021, with capacity to deliver at least 1,000 homes. There are pipeline schemes in the following London boroughs: Barking & Dagenham, Barnet, Brent, Camden, Croydon, Ealing, Enfield, Greenwich, Hackney, Hammersmith & Fulham, Haringey, Harrow, Hounslow, Islington, Kensington & Chelsea, Kingston, Lambeth, Lewisham, Newham, Redbridge, Richmond, Southwark, Tower Hamlets, Waltham Forest, Wandsworth and Westminster.

Timescales for delivery cannot be provided, as these will be dependent on factors that occur during the pre-development and development process.

If you have any further questions relating to this matter, please contact me, quoting the reference at the top of this letter.

Yours sincerely

Information Governance Officer
