Dear [REDACTED]

Thank you for your further correspondence relating to your FOI request of 6 April 2019 (reference MGLA080419-9729). You asked for 'information which gives evidence of the date' of publication of the Direction of Travel Adoption report on the GLA website. The GLA responded to you on 8 April 2019 confirming the date of publication.

You have responded on the 8 April:

*Please can you provide written evidence, as requested, of the date on which the Kingston DoT adoption report was posted on the GLA website?*

and, on 15 April:

*Thank you for your most recent reply. I believe you have not understood my question. Please can you provide EVIDENCE that the dates you have given as dates of publication in your reply are the dates on which the respective documents were published on the GLA website?*

The GLA does not hold any written communication confirming the date of publication. However, I can provide you with my email to the GLA Digital team requesting confirmation of the date following your request, and a screen shot of our web editing tool which shows the edit history for the Direction of travel page. I've marked the relevant lines of the edit history in red which relates to the publication of the two documents appearing on that page.

If you have any further questions relating to this matter, please contact me, quoting the reference at the top of this letter.

Yours sincerely

[REDACTED]
