Dear [REDACTED]

Thank you for your request for information which was received on 19 August 2021. Your request has been dealt with under the Freedom of Information Act 2000.

You asked that we:

- Confirm whether Jennifer Arcuri's company Playbox, was accepted onto the GLA-funded Capital Accelerator Programme between 2012-2016; and
- Provide any correspondence or records held by the GLA regarding her participation in the programme.

Our response to your request is as follows:

1. Playbox was accepted onto the European Regional Development Fund (ERDF) supported Capital Accelerator programme managed by Capital Enterprise; and received 12 hours of business support in December 2014.
2. The GLA European Programmes Management Unit only holds the management information submitted by Capital Enterprise in respect of ERDF claim payments for Capital Accelerator. No correspondence relating to individual SMEs supported, such as Playbox, is held on GLA's systems.

If you have any further questions relating to this matter, please contact me.

Yours sincerely

[REDACTED]

Alex Conway
Assistant Director, Economic Development and European Programmes
