Dear Sir/Madam

Thank you for your request for information which the OPDC received on 3 July 2019. Your request has been dealt with under the Freedom of Information Act 2000.

You noted that high-level findings and key recommendations arising from the Strategic Review of the Old Oak and Park Royal Development Corporation were published on the GLA website in November 2016 and you requested a copy of the full report.

I can confirm that report published on the GLA website, using the following link, is the only report produced following the review.
