Dear [REDACTED]

Thank you for your request for information which the GLA received on 7 August 2017. Your request has been dealt with under the Freedom of Information Act 2000.

You asked for;

Please supply information as to the outcome of claims for compensation made by Brewsters Waste Management, Clearun and McFen Haulage regarding their removal from the Olympic Park under the Olympics Compulsory Purchase Order.

Our response is as follows;

- Brewsters Waste Management

The Brewsters Waste Management claim is still outstanding. We are likely to conclude the claim around July 2018.

- Clearun

A claim for compensation was made against the GLA. The claim failed at first instance and an appeal was brought in the Court of Appeal. The outcome was that the appeal was stayed on confidential terms agreed by the parties. Please find attached a copy of the Consent Order.

- McFen Haulage

The claim for compensation against the GLA was settled in early 2016. Please find attached a copy of the Consent Order.

If you have any further questions relating to this matter, please contact me, quoting the reference MGLA061117-3436
