

FOI request to the Greater London Authority submitted on 6 June 2016

#4231

"...may I ask you to disclose (under the Section 1 of the FOI act 2000) the GLA's contact agreement with London citizens CLT limited?"

The Greater London Authority's response sent 20 June 2016

The GLA does not have a contract or agreement in place with London Citizens or London CLT in relation to the St Clements site. The GLA has secured the development of the site through a Development Agreement with the housing developer Galliford Try plc.
