30 March 2020

Dear [REDACTED]

Thank you for your request for information which the Greater London Authority (GLA) received on 2 March 2020. Your request has been considered under the Freedom of Information Act 2000.

You requested:

Would it be possible to get a break down of international, domestic flights taken by all staff since May 2018? Would it be possible to present that data in an Excel spreadsheet with a breakdown of cost for each flight, the airport flown from, the destination and, where possible, the business reason and employees job title?

Please find attached the information we hold within the scope of your request. Job titles are not logged. Staff names have been redacted where they appear in the column about the purpose of the visit.

Please note that some names of members of staff are exempt from disclosure under s.40 (Personal information) of the Freedom of Information Act. This information could potentially identify specific employees and as such constitutes as personal data which is defined by Article 4(1) of the General Data Protection Regulation (GDPR) to mean any information relating to an identified or identifiable living individual. It is considered that disclosure of this information would contravene the first data protection principle under Article 5(1) of GDPR which states that Personal data must be processed lawfully, fairly and in a transparent manner in relation to the data subject.

If you are considering resubmitting another FOI request, we would urge you to consider carefully whether the request is essential at this current time. The GLA takes its commitments to openness and transparency very seriously and we will continue to work to meet our statutory obligations, but please bear in mind that answering FOI requests will require the use of limited resources and the attention of staff who could be supporting other essential activity.

If you have any further questions relating to this matter, please contact me, quoting the reference MGLA020320-4082.

Yours sincerely

Information Governance Officer

If you are unhappy with the way the GLA has handled your request, you may complain using the GLA's FOI complaints and internal review procedure, available at:
