Dear [REDACTED]

Thank you for your request for information which the Greater London Authority (GLA) received on 3 July 2020. Your request has been dealt with under the Freedom of Information Act 2000

You asked for information about funding to London & Partners in support of the Business Growth Programme. <https://www.business.london/business-growth-programme/about>

Our response to your request is as follows:

The Business Growth Programme run by London & Partners is funded 50% by a grant from the European Regional Development Fund (ERDF) and the remainder by London & Partners from its total operating funds which include a grant from the GLA and other income sources.

If you have any further questions relating to this matter, please contact me, quoting the reference at the top of this letter.

Yours sincerely
