Dear Yanny,

As mentioned in the email trail below, please submit an application form and the required documents for us to assess in the first instance. If required, we will then organise a meeting with yourself and any interested agencies.

This is a requirement for all requests to use Parliament and/or Trafalgar Square and without this, we are not able to proceed further. Further details can be found at: <https://www.london.gov.uk/about-us/our-building-and-squares/parliament-square-garden>

Thanks,

Dear Yanny

Thank you for your request below but a meeting is not possible today. The City Operations team who would meet with you are currently dealing with the numerous protests across central London today in order to ensure the right to protest safely.

If you have any availability next week then please indicate a couple of options and someone will get back to you on Monday 16 July.

Please note that in order for the Greater London Authority to assess any request the written information referenced below will be needed.

Best Wishes

Subject: RE: Blimp event London

Dear Yanny

Thank you for your request below regarding a blimp/inflatable on Parliament Square Garden. There is an application process for Parliament Square Garden and details can be found at <https://www.london.gov.uk/about-us/venue-hire/book-parliament-square-garden>

Please note the guidance on the application which states '*Applications operate on a first come, first served basis and should be submitted at least 7 days before the activity but please note that the GLA may take up to 21 days from receipt to determine an application. Final approval will only be granted once full details requested by the GLA are provided.*'

Your request was received yesterday on Monday 9 July but you have not referenced a date in your email for the proposal. If it is for this weekend then it is less than 7 days notice. However we are willing to assess your request but require the following information in order to confirm if your proposal is feasible.

- Completed rallies / public gatherings application form at <https://www.london.gov.uk/about-us/venue-hire/book-parliament-square-garden> (see link at bottom of website page)
- Proof of Public Liability Insurance for £5 million minimum cover value (see form for details)
- Detailed timings with Risk Assessments and Method Statements for the inflatable.
- Confirmation of company details providing inflatable and images of the completed inflatable structure
- Any proposal of this nature requires additional approval from the Metropolitan Police Service and National Air Traffic Services. The Greater London Authority will need confirmation that these organisations have been approached with detailed information required to assess the request.

If you are able to provide this information by 4pm tomorrow (Wednesday 11th July) then the Greater London Authority can assess your proposal.

Best Wishes

Good Morning,

I have been forwarded this contact by the Met Police as we are looking to have a giant blimp take off from parliament square - much like the Trump Baby blimp that has been authorised.

If you could let me know the next stages of the process that would be great.

Look forward to hearing from you.

Best Wishes,
Yanny

Dear Sir/Madam,

This is [REDACTED], I am managing the event for the balloon of Mr Khan on 1st September 2018.

I understand that your department is not there to deal with consultancy or to assist with planning, however, I would be very grateful if you could just clear up one thing for us.

We are not too sure on the GLA's definition of a 'stage.'

We will not be using a stage on the day, but we would like to use a small podium for speakers to address the audience.

Would a podium be acceptable or require any further application.

Kind Regards

[REDACTED]

On 10 Aug 2018, at 18:25, [REDACTED] <[REDACTED]@london.gov.uk> wrote:
Hi Yanny,

Thank you for all the documents you have sent thus far. I still require the following;

- * Risk assessment and method statement from [REDACTED] for the installation, flight and derig of the balloon
- * Risk assessment and method statement for the main activity
- * Site plan
- * Copy of the National Air Traffic Services' and relevant authorities approval
- * Pictures of the balloon once it is finished

The method statement you have provided doesn't have any names assigned to the roles, is this because you've yet to assign someone to them at this stage? Once I know what the authorities positions are, I can make an informed decision as to whether we need a meeting with all parties present.

Hi [REDACTED]

Unfortunately I was told 2,500 maximum on the square. I don't think it will attract more than 2,500 in any event. However, I will increase this with insurance providers.

We do have a large number of stewards/security on the day too.

Please see attached photos. I will have one of the backside for you tomorrow.

Thanks for your prompt response.

Kind Regards,
Yanny
