

Request

Thank you for your response to my letter dated 22nd January to the Mayor about what he is doing to get adequate funding to protect Londoners from violent robbery.

Unfortunately, the response saying the Mayor Urged the Government to reverse the cuts to the Police budget does not show exactly what he is doing.

So that I can consider this more fully can you please provide the following documents and information under the terms of the Freedom of Information Act:

1. Copies of letters and emails between the Mayor and the Government about increasing the central funding for Policing in London
2. Copies of notes of meetings and telephone calls between the Mayor and the Government about increasing the central funding for policing in London
