

REQUEST

Hello there

Please can I request the following information under the Freedom of Information Act -

How many referrals to the Repsonse and Rescue service has there been from organisations, including the council and police, in Camden since it's launch, which I believe was September 2018.

Best wishes,

RESPONSE

Thank you for your Freedom of Information Request.

Out of the 12 referrals we have had for Camden young people, the agencies that referred were
3 from Children's Social Care
3 from Metropolitan Police Service
5 from a County Police force
1 other- (organisation providing youth support)

I hope this is useful.
