

REQUEST

Could you please let me know what measures you have taken to ensure that all vehicles operated by the Mayor's Office for Policing and Crime and those operated by third parties to provide services commissioned by the Mayor's Office for Policing and Crime do not idle their engines when not in use?

More specifically, could you also please let me know what text you have included in your contracts with third parties where this includes vehicular travel to ensure no idling takes place; and what steps have you taken / are you taking to monitor and enforce no idling amongst both your own vehicles and those delivering services on behalf of the Mayor's Office for Policing and Crime.
