Dear [REDACTED]

Thank you for your request for information which the Greater London Authority (GLA) received on 17 October 2018. Your request has been dealt with under the Freedom of Information Act 2000.

You requested:

Please treat this email as a Freedom of Information Request to provide a summary of all parties who have received funding under the European Regional Development Fund ("ERDF") from the Greater London Authority and provide details of all those parties whose ERDF funding has been the subject of a proposed claw-back in London in the past six years and instances where the final claw-back figure has not been confirmed.

Please advise as to the identity of those parties and the extent of any proposed claw-back. This would cover situations where the clawback figure has been confirmed and finalised or is in the process of being finalised.

We have already published details of beneficiaries funded by ERDF :-
