Dear 

Freedom of information request

Thank you for your request for information which the Greater London Authority (GLA) received on 2 February 2017. Your request has been dealt with under the Freedom of Information Act 2000.

You asked:

*"It is in relation to his tax and ban approach to emissions for cars in London
1) How many Chauffeur cars trips and taxis has he taken since May '17 and at what cost and for what reason?
2) The same for his special advisers"*

In line with our publication scheme, details of the Mayor's travel costs and expenses are published on the following page <https://www.london.gov.uk/people/mayoral/sadiq-khan/expenses> and are broken down into the following categories: Taxi invoices, Taxi expense claims, Other domestic travel, Foreign travel, Other expenses. As well as categorising expenditure, details of individual expenses are shown.

The same details are also shown for the Mayor's team at <https://www.london.gov.uk/people/mayoral>. Future expense claims will also be published on these pages.

The Audit Panel considers reports on expenses claimed by elected officials and staff at City Hall and you can find their reports online at <https://www.london.gov.uk/about-us/london-assembly/audit-panel>.

I searched for any previous requests for information from yourself regarding the Mayor's travel costs and we have not received any previous emails or letters on this subject.

We have received some letters from you about roads, cycling and congestion which were passed to TfL for response in line with the notice on the '[contact us](#)' section of our website.

If you have any further questions relating to this matter, please contact me, quoting the reference at the top of this letter.

Yours sincerely

Ruth Phillips
Information Governance Officer
