Dear [REDACTED]

Thank you for your request for information which the Greater London Authority (GLA) received on 12 November 2018. Your request has been dealt with under the Freedom of Information Act 2000.

You requested:

You recently published a report on the successful applications to the Young Londoner's Fund. The report focused primarily on smaller awards.

I would like request details on the organisations that received £1m or over.

We announced who has been awarded medium and large Young Londoners Fund grants on Monday 19th November. You can find out more about all of the projects funded through the Young Londoners Fund at www.london.gov.uk/young-londoners-fund. This includes City Hall projects that have been scaled-up using the Young Londoners Fund. If you click on the 'Who we are funding' button you can see details of the type and value of grants, types of activities delivered, the age range of people to be supported, and the boroughs whose residents will be supported.

One project is receiving a grant of more than £1m. Please find attached the information we hold within the scope of your request.
