

1) What date did Dauphin/ABP and Wrenbridge say they could deliver the scheme by?
Provide:

- i) a date for each applicant at each stage in the tendering exercise
- ii) a scan of the relevant page of each applicant's application form clearly showing the date

Stage	ABP	Wrenbridge
PQQ	This information was not requested at this stage	
Invitation to submit outline solutions	This specific information was not requested at this stage. ABP however estimated that they would aim to complete the scheme in 7.5 years.	
Invitation to continue in dialogue (Interim)	Draft heads of terms submitted set respondents response to proposed terms - see attached.	
	<ul style="list-style-type: none"> • Phase 1 start on site - 3 years from development agreement being signed • 3 years between phases • Development agreement expires – December 2032 	<ul style="list-style-type: none"> • Phase 1 start on site - 3 years from development agreement being signed • 3 years between phases • Development agreement expires – December 2032
Invitation to continue in dialogue Detailed Stage 2	<ul style="list-style-type: none"> • Phase 1 start on site - 3 years 3 months from development agreement being signed • 4 years between phases • Development agreement expires – December 2032 	N/A
Invitation to submit final tenders	<ul style="list-style-type: none"> • Phase 1 start on site - 3 years 3 months from development agreement being signed • 4 years between phases, • Development agreement expires – December 2032 but estimated at potentially less (2026) 	N/A
