RESPONSE

Thank you for your Freedom of Information request of (date) to the Mayor’s Office for Policing And Crime (MOPAC). I confirm that your request has been handled under the Freedom of Information Act (FOIA) 2000 and that MOPAC does hold information relating to your request; please see below and attached.

1. I would like to know the details of requests for all grants or “projects” and when they were submitted to or received by MOPAC.

The following applications were submitted on the dates shown:

- 11 July OWL
- 31 July Personal Safety & Self Defence
- 31 July Hate Crime
- 2 August Outline Fridge magnet key contact details (not formally submitted)
- 20 August Revised Personal Safety & Self Defence

2. I would like to know the details of the application form or forms, submitted by the Ealing Safer Neighbourhood Board for the purpose of accessing funding provided by MOPAC from the Safer Neighbourhood Board Fund for the financial year 2019/20 with any personal details redacted.

The following application forms are attached:

- Appendix A OWL

- Appendix B Personal Safety & Self Defence
- Appendix C Hate Crime
- Appendix D Outline Fridge magnet key contact details (this was an initial draft and was not formally submitted)
- Appendix E Revised Personal Safety & Self Defence

3. I would like to know the intended recipient/body or entity, of the grant

- OWL - OWL Neighbourhood Watch Community Co Ordinator
- Personal Safety & Self Defence – Sev Necati Training
- Hate Crime – Ealing MENCAP
- Outline Fridge magnet key contact details – not submitted /no details given
- Ring fenced Administration payment – London Borough of Ealing

4. I would like to know the value requested for each grant

- | | |
|----------------------------------|----------|
| • OWL | £ 5015 |
| • Personal Safety & Self Defence | £ 7,300 |
| • Hate Crime | £ 15,000 |
| • Total | £ 27,315 |

In addition to the above, a ring-fenced payment of £ 5,200. for administration support is made.

5. I would like to know if the value requested has been amended, or queried or reduced by MOPAC

A query was raised by MOPAC in respect of the total bid amount. The total amount of the combined bids for the three projects appeared to be over budget. The Personal Safety & Self Defence application was clarified and amended by SNB to be in line with the allocated amount.

6. I would like to know any comments made by MOPAC about the grant application which may or may not be saved onto the GLA open project system (OPS).

The SNB was advised by email that: “the budget for the SNB projects is £27,354. The three currently submitted add up to £36,899, £9535 over spent. Do you want to reduce funding to one or more of the projects or submit something else in line with the budget”

In light of this the SNB submitted a reduced application for Personal Safety & Self Defence.

7. I would like to know if the individual grants have been accepted or approved or rejected

- OWL Approved
- Personal Safety & Self Defence (as revised) Approved
- Hate Crime Approved

8. I would like to know if monies have been paid to the board, or Ealing council or directly to the intended recipient

No payment has been made at this time. The monies will be paid by MOPAC to the London Borough of Ealing who will disburse the funds to the relevant recipients on behalf of the SNB.
