

### **Freedom of Information Act request**

Please find attached a time-series back to FY2000 of office approvals and completions in London. The period covered in each financial year (FY) is 1st April to 31st March the following year, so FY2000 runs from 1st April 2000 to 31st March 2001.

I've separated the approvals into quarters. I have not done this for completions as they are collected on an annual basis. Many of the completion dates are estimates and are often put in the final quarter so any analysis by quarter would give misleading patterns.

Only changes in floorspace of 1,000m<sup>2</sup> are recorded. All figures are net (losses are subtracted from the proposed / completed floorspace) The source of the data is the London Development Database.

If you require any further information, please do not hesitate to contact me.

Kind regards
