Dear Ed

**London Assembly (Plenary) meeting 10 February 2016
Minor Alterations to the London Plan**

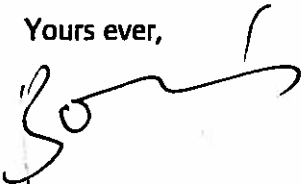

I refer to your letter of 17 February 2016 in which you set out the motion agreed at the London Assembly (Plenary) Meeting of 10 February.

I would like thank the Assembly for its consideration of the Housing Standards and Parking Standards Minor Alterations to the London Plan (MALPs), and for not rejecting the MALPs under section 42B of the GLA Act.

I note that the motion identifies three issues in the MALPs of concern to the Assembly – housing standards, car parking and air quality.

I confirm that in arriving at my decision to publish on 14 March 2016 the MALPs as alterations to the London Plan – through the Mayor's decision form MD1614 which I signed today – I gave my full consideration to the Assembly's motion and the issues of concern expressed therein. This is set out in full at section 6 of MD1614, a copy of which I attach to this letter.

Yours ever,

Boris Johnson
Mayor of London
