Notes:

1. People from Cyprus may appear as being from Cyprus, N Cyprus or S Cyprus in this table, dependent upon the relevant country definition at that point in time.
2. People from The Czech State and from Slovakia may appear as being from The Czech State, Slovakia, or Czechoslovakia in this table, dependent upon the relevant country definition at that point in time.
3. Cells containing a '-' symbol refer to figures less than 500, or where there were no recorded contacts.
Cells containing a '-' symbol refer to figures between 500 and 999.
4. Cells containing a '*' symbol have been suppressed as a result of suppressing a value using the '-' symbol.
5. Business visits are those for which the traveller stated that main reason for visit was 'Business', 'Trade Fair', 'Conference/exhibition'. Leisure visits include all non-Business reasons for visit.
6. The estimates in this table are subject to sampling errors that result because not every traveller to or from the UK is interviewed on the survey. The IPS provide an indication of these errors by publishing confidence intervals. For further information please refer to:
