

REQUEST

I was wondering if I could have the following information regarding the New Years Eve Fireworks 2019:

- 1) What are the crowd management strategies in place for the event?
- 2) What age ranges attended the event?
- 3) What incidents have happened in previous years? Are there any reports?
- 4) Are there any site maps available showing congestion points, ingress and egress points?
- 5) Is there any information regarding capacity limits for each viewing area?
