Dear [REDACTED]

Thank you for your request for information which the GLA received on 15 December 2017. Your request has been dealt with under the Freedom of Information Act 2000.

Our response to your request is as follows:

- 1. The number of grant recipients under the 2015-18 Housing Covenant which have not yet completed all the homes they are required to complete before 31 March 2018 in order to avoid scheme default.*
- 2. The names of these recipients.*
- 3. The total number of homes that must be completed by that date but have not been completed.*

The attached table sets out the current contractual positions for completions in the 2015-18 Mayor's Housing Covenant programme. The GLA is in constant dialogue with partners to monitor delivery, agree mitigating actions and programme changes as necessary. Please note that the 2017/18 figure includes completions already achieved.

- 4. The number of requests the GLA has received from recipients for an extension to the deadline.*

The GLA approved 125 of the received requests for extensions to the deadline.
