

Dear

Thank you for your request for information which the Greater London Authority (GLA) received on 9 January 2017. Your request has been dealt with under the Freedom of Information Act 2000.

You asked for:

*"Please provide a list of all meetings in the past year undertaken by regarding the flyunder proposal - with dates, details of those attending an any minutes that were taken - with the Mayor of London and his predecessor and GLA staff and TFL officials.*

*Please include any meetings of the Joint Programme Board and the Joint Delivery Group"*

You clarified that your request refers to the Hammersmith Flyunder and that you are looking for meetings between the Mayor of London (current or previous) and GLA staff and TfL officials only.

We have interpreted 'in the past year' to mean January 2016-January 2017.

We do not hold any information for meetings with the current Mayor or the previous Mayor but we have found some information relating to Joint Delivery Group meetings attended by GLA staff within that timeframe (8 January 2016 and 11 February 2016). We did not locate information relating to Joint Programme Board meetings. Please find the relevant information attached. We have redacted a small amount of personal data contained within some of the documents in accordance with the provision under regulation 13(1) of the EIR.

Mr Khan publishes his diary online twice a year at <https://www.london.gov.uk/about-us/governance-and-spending/sharing-our-information/publication-scheme/mayor-londons-diary>. We no longer have access to the former Mayor's diary, but and we have previously released information which you can find on our disclosure log at <https://www.london.gov.uk/about-us/governance-and-spending/sharing-our-information/freedom-information-fois>

If you have any further questions relating to this matter, please contact me, quoting the reference at the top of this letter.

Yours sincerely

Ruth Phillips  
Information Governance Officer
