Dear Colleague,

**ROUGH SLEEPING INITIATIVE GRANT DETERMINATION (2018-19)
[No. 31/3392]**

I am pleased to inform you that the Department is now able to issue a Grant Determination for the Rough Sleeping Initiative Grant for the remaining 2018-19 period.

I enclose a Determination made under section 31 of the Local Government Act 2003.

The grant is ring-fenced for 2018-19 and is to be used for Rough Sleeping Initiative interventions only. Interventions were set out in the proposal form submitted by you in May 2018. MHCLG has subsequently been in contact with you to let you know which of your interventions we have approved for funding.

Our team of expert practitioners will continue to work closely with you to help implement and monitor your plans. Monthly reports for your completion will be sent throughout the Funding Period and will include details on project mobilisation as well as rough sleeping prevention and relief rates. Full guidance on accessing and completing the reports will be provided shortly. In addition to the November rough sleeping count, you are required to conduct rough sleeping counts in September, January and March. The MHCLG and our expert practitioners will provide further guidance and support to aid you in preparing for and implementing these additional counts. By exception and with the agreement of MHCLG we may allow local authorities to undertake estimates rather than counts. Please contact us if you feel this is necessary.

A Rough Sleeping Initiative launch event in the summer will provide further guidance on the reporting process and rough sleeping counts. The event will also provide an opportunity to discuss progress, success and lessons learnt with other local authorities. We hope you will be able to join us.

If you have any immediate questions on the grant determination or the process more generally please contact the Homelessness Advice and Support Team on roughsleepinginitiative@communities.gsi.gov.uk.

Provisional funding allocations for the 2019/20 period will be announced shortly.

Yours sincerely,

Bill Thorpe
