

Dear

Thank you for your further request for information. Our response to your request is as follows:

*1. Please can you give me information that shows i. the existing density of housing on the Cambridge Road Estate in Kingston upon Thames and ii. the forecast density of housing in the regenerated estate according to current plans?*

The GLA does not hold this information and you would need to contact LB Kingston Upon Thames:  
<https://www.london.gov.uk/in-my-area>

*2. Please can you give me information that shows the current PTAL rating of the Cambridge Road Estate and any forecast change in the PTAL rating, both with explanations?*

The PTAL maps are publicly available on the TfL website - WEBCAT (<https://tfl.gov.uk/info-for/urban-planning-and-construction/planning-with-webcat/webcat>). the Webcat PTAL information includes changes to 2031.

Yours sincerely

Information Governance Officer
