

## **FOI request to the Greater London Authority on 22 September 2016**

**#7956**

*Are you able to say what number of Mr Khan's personal staff are Muslim and express that as a percentage of the total?*

### **The Greater London Authority's response on 13 October 2016**

The Mayor can personally appoint 12 staff. In light of the small numbers and the fact that this may make the information identifiable we are unable to disclose this information as it is exempt from release under the provision of section 40(2) of the FoI Act. This provides that personal data (as defined under the Data Protection Act 1998) can be withheld from disclosure in to the public domain where that disclosure would constitute unfair processing of that personal data.

Our most recent workforce monitoring report is available on our website. P27 of the report contains a section on anonymised faith analysis on the overall workforce at the GLA. This information is also expressed in percentages.
