Dear [REDACTED]

Many thanks for your freedom of information enquiry about the Seaside & Country Homes scheme. The scheme has been running since the 1960s and has been administered by the Greater London Authority since 2011. The table below sets out the number of lettings to London households through the scheme from 2007/8. Unfortunately, we do not hold historical information on this.

2007/08	170
2008/09	182
2009/10	237
2010/11	209
2011/12	218
2012/13	207
2013/14	155
2014/15	147
2015/16	126
2016/17	110
2017/18	105

The scheme comprises a total of around 3,000 properties and each year a proportion of these become available for letting – usually between 5 and 7 per cent.

Yours sincerely
