Dear [REDACTED]

Thank you for your request for information which the Greater London Authority (GLA) received on 7 November 2018. Your request has been dealt with under the Freedom of Information Act 2000.

You requested:

I would like some information on the some work carried out by Promodo/Dr David Smith for which payment of £4,800 is recorded in the payments to suppliers in the third quarter of 2016/17. I have attached the link showing payment below, at page 237 of the Budget Monitoring Sub Committee agenda.

I would be grateful if you would provide the contractual information between Promodo/Dr David Smith and the authority for the work.

That would be a copy of the contract and correspondence between the parties agreeing the work, payments and expenses etc and what the final output was, ie possibly a report of some kind. If it is a contribution to the report I have also attached below there is no need to resend it.

I presume there were expenses involved for travel, subsistence and accommodation etc. I would be grateful if you could provide the recorded information held on payments for the report.
