

Thank you for your request for information which the GLA received on 23 September 2020. Your request has been dealt with under the Freedom of Information Act 2000.

You asked for the additional residential details including "Unit provider", "Unit tenure" and others for both existing and proposed units for all housing permissions approved or completed from 01/01/2000 to 31/12/2019 from the London Development Database (LDD). If the data does not go back to 01/01/2000, you would like to receive it starting from the earliest available date.

You would like to receive the information in a spreadsheet.

Data on residential approvals and completions from 01/04/2000 to 31/03/2019 has been added to the Datastore page at <https://data.london.gov.uk/dataset/planning-permissions-on-the-london-development-database--ldd->

Data on unit provider and tenure has only been collected on permissions granted from 01/04/2004 onwards so may be missing from permissions granted before this date. Data for 2019/20 is currently still being collected and will be made available when the LDD is replaced by the Planning London Datahub, details of which can be found at
