Note

The value of provider AEB grant allocations for the 2020/21 academic year and the value of provider delivery of high value courses to 19-year olds in 2019/20 have been used to calculate these provider facilities. Providers have been allocated at least £100,000 or 50% of their AEB

grant allocation, whichever is lower. An overall cap has also been applied which ensures no provider can receive more than £1,250,000.
