Dear [REDACTED]

Thank you for your request for information about confidential waste, which the Greater London Authority (GLA) received on 25 May 2021. Your request has been considered under the Freedom of Information Act 2000.

Please find below the information we hold within the scope of your request, which relates to a shared service with Transport for London

- **Has confidential waste being procured via tender or framework or another means?**

Confidential waste collection service is included in the Transport for London Waste Management Services Lot 1a (General Waste) contract. The contract was awarded to Bywaters (Leyton) Limited in November 2020 by following an OJEU compliant competitive tendering process. Bywaters uses Shred Station Ltd (sub-contractor) for confidential waste collection service.

- **If a framework, could you confirm the name of the framework please?**

It is not a framework agreement, it is a contract

- **Actual contract values of each framework/contract (& any sub lots)**

The contract does not offer any guarantee for a minimum volume of the services or a minimum spend by TfL. Therefore, TfL will only pay for the services it uses during the contract term. Lot 1a was advertised with the other three lots (Lots 1b, 1c and Lot 2) and the estimated total value of all four lots was £30m

- **Start date & duration of contract**

Start date: 16 November 2020

Duration: four (4) years

- **Is there an extension clause in the framework(s)/contract(s) and, if so, the duration of the extension?**

Yes, an option to extend for an additional three (3) years in 12-month increments.

- **Has a decision been made yet on whether the framework(s)/contract(s) are being either extended or renewed?**

The expiry date of the initial term of the contract with Bywaters is 15 November 2024. No decision has been made yet on whether the contract will be extended after the expiry date.

- **Who is the procurement officer responsible for this contract and could you provide their email address and phone number please?**

Personal information such as email addresses and phone numbers relating to specific officers is exempt under section 40 of the FOI Act. The Procurement team contact details can be found at <https://www.london.gov.uk/about-us/governance-and-spending/spending-money-wisely/contracts-and-grants>

- **Who is the senior officer (outside of procurement) responsible for this contract and could you provide their email address and phone number please?**

Personal information such as email addresses and phone numbers relating to specific officers is exempt under section 40 of the FOI Act. - **Who is the current supplier?**

Confidential waste collection service is part of lot 1a and Bywaters use Shred Station Ltd (subcontractor) to provide the service.
