London Community Story

Films, essays and datasets to support your work

The 'London Community Story' is a snapshot of Londoners in conversation through films, essays and datasets. Use our tools to support your work and test new ways of listening and finding common ground.

The programme tested community engagement approaches and created a set of **resources** to share with Londoners, civil society, academia and policymakers who are interested in using creative approaches as new ways of listening.

The team connected individuals across live and digital settings, documenting their lived experiences alongside quantitative data.

The completed films, essays and datasets provide unique insights into the lives of Londoners across key themes; Belonging, Digital Communities, Equality, Identity, Journeys & Travelling, Relationships.

Our **downloadable pack** includes:

1. Datasets: Evidence from the Survey of Londoners.
2. One minute films: Audio visual pictures of London developed by filmmakers from Goldsmiths University.
3. Essays: Perspectives on London by writers from the Refugee Journalism Project.

These tools are to help us all tell real stories of Londoners, test new ways of listening and find our common ground.
