Dear [REDACTED]

Freedom of Information request

Thank you for your further email of 22 February 2016 in which you requested the following information:

"To further clarify we're looking to see what borrowing has been undertaken to regenerate/develop commercial and retail properties. We're not looking into maintenance costs. But information on past, present and future projects would be helpful"

We have conducted searches across the GLA and we can confirm the GLA has not undertaken any borrowing to fund the regeneration or development of any commercial or retail properties.

The GLA publishes reports listing all of our spending of £250 or more on our website. We record the spending in the form of a register listing individual items of expenditure and details such as the payee and the date of payment.

Yours sincerely
