Virtual Visits

MOPAC have created a checklist for MPS and ICVs to complete during virtual visits and revised reporting prompt sheets are being drafted and will be circulated shortly. MOPAC confirmed that virtual practices – panel meetings and virtual visits will remain in place in until Summer 2021.

ICVs were reminded that at the start of the virtual visit they should identify the number of detainees who are juveniles and to ensure they note any who have been subject to strip search.

Members discussed recruitment needs across the Scheme and MOPAC advised that recruitment would be resumed as soon as reasonably practicable given the pandemic.
