23 April 2018

Dear [REDACTED]

Thank you for your request for information which the GLA received on 9 April 2018. Your request has been dealt with under the Freedom of Information Act 2000.

You requested:

I would like to make a freedom of information request. With stories appearing every now and then about a NFL team moving to London, I was wondering if a serious study has been made if the city could support it?

I assume this e-mail address applies to the Greater London Authority as a whole, including the assembly and the office of the mayor. To that end, I would like a copy of any report or analysis of the financial aspects of a team in London produced in the last five years.

This would include projected attendance, revenue streams, possible government subsidies, etc etc.

Please find attached the information we hold within the scope of your request.

If you have any further questions relating to this matter, please contact me, quoting the reference MGLA090418-8925

Yours sincerely

Ruth Phillips
Information Governance Officer
