You must have appropriate policies and procedures in place and act in accordance with them at all times to help you comply with any relevant law government requirement and best practice including but not limited to data protection, freedom of information, whistleblowing, equal opportunities, employment law, harassment and bullying and safeguarding of vulnerable people.
8. You acknowledge that the *Grant* comes from public funds. You must continue throughout the *Approved Purposes* to ensure the *Grant* is compatible with subsidy control law meaning:
 - a. the law embodied in Chapter 3 (Subsidies) of Title XI of the new Trade and Co-operation Agreement agreed with the EU on 30 December 2020; or

10. In the event that the *Grant* is deemed to be unapprovable subsidy, this constitutes a breach of our *Standard Terms of Grant* and you will be required to repay the entire *Grant* without delay together with compound interest at 4% above the base rate for the time being of the Bank of England from the date on which the unlawful subsidy was at your disposal until the date of its recovery.

12. You must follow the [government Code of Conduct](#) that sets out standards of behaviour for people or organisations that receive government grants.
13. You must tell us if you receive duplicate funding for the Project from any other source at any time during the Project. If this means that you no longer need funding from us and/or our funding duplicates other specific funding you must pay the Grant or an appropriate portion of the Grant back to us immediately upon demand in accordance with clause 36 below.

Project monitoring

14. You must give us any progress reports, financial or other information and records we may need from time to time on the *Grant*, the *Property*, the *Approved Purposes* (and achieving them) and the *Approved Usage*.

For projects where materials are located across a range of sites, the URL of an online index page is required.

Procurement

21. Before you start any phase of the work needed to achieve the *Approved Purposes*, you must put in place all necessary contracts with appropriately

qualified contractors and professional advisers to allow you to finish that phase of the work. Building contracts must contain a clause which allows you to retain part of the contractors' fees on practical completion of the works. If you want any contracts to be on different terms, you must get our approval beforehand.

22. If the *Approved Purposes* involve buying goods or services or getting work done, you must carry out a tendering exercise in line with the requirements set out in the *Receiving a Grant* and Procurement Guidance available on our website.

Property

23. You must continue to own the *Property* and keep exclusive control over what happens to it. Other than as permitted under paragraph 33 (*Digital Outputs*), you must not sell, let or otherwise part with it or any interest in it, or give any rights over it to anyone else (or take any steps to do so) without our approval beforehand. If we give you our approval, it may depend on any of the following requirements.

- b. that you sell or let the *Property* at its full market value;
- c. any other conditions we think fit.

We may claim from you an amount in the same proportion to the sale price as the *Grant* is to the original cost of the *Approved Purposes*, or the portion of the *Grant* spent on the assets or goods concerned, whichever is the greater. You must pay whatever we decide is appropriate in the circumstances. We may

decide not to ask you to repay the *Grant* (or any part of it as we think fit) for any reason but it is for us to decide that.

24. You must maintain the *Property* in good repair and condition. If the *Approved Purposes* include creating, repairing or restoring property, you must maintain the *Property* in good repair and condition after the work has been done. If the *Approved Purposes* include the preparation of a maintenance and management plan or a conservation plan, you must maintain, manage or conserve the *Property* in accordance with the version of the relevant plan that we have approved.
25. You must insure the *Property* to the standard set out in (and use any proceeds of the insurance in line with) the *Programme Application Guidance* and *Receiving a Grant*.
26. You must keep any objects or fixtures that form part of the *Property* in a physically secure and appropriate environment.
27. You must tell us, in writing, within five working days about any significant loss or damage to the *Property*.
28. You must arrange for the general public to have appropriate access to the *Property*. You must make sure that no person is unreasonably denied access to the *Property*.

Publicity and Acknowledgement

30. We may make the purpose and amount of the *Grant* public in whatever way we think fit.
31. Once we have announced the *Grant*, you must acknowledge the *Grant* publicly in line with the requirements set out in the guidelines on our website. You must meet any other acknowledgement or publicity requirements we may tell you about from time to time. Before we make any public announcement of the *Grant*, you must not issue any public statement, press release or other publicity in relation to the *Grant* or which refers to us, other than in a form we have approved beforehand.
32. You must also provide us with digital images in electronic format of the *Project* or hard-copy photographs or transparencies. You give us the right to use those you provide us with at any time, including putting them into a digital format and altering them. You must get all the permissions required for you and us to make use of them before you use them or send them to us. You must also apply the required Creative Commons Attribution 4.0 International (CC BY 4.0) Open Licence to the images.

Digital Outputs

33. You agree to:
- a. grant us a non-exclusive, royalty free licence to use, copy, keep and disseminate the Digital Outputs as we see fit and to grant sub-licences of the same kind for the Term of the Grant Contract;

- b. apply a Creative Commons Attribution 4.0 International (CC BY 4.0) Open Licence or equivalent, to all grant funded Digital Outputs, with the exception of code and metadata, and not including public domain assets or non-original digital reproductions of public domain assets (see below).
- c. clearly identify and apply Creative Commons 0 1.0 Universal (CC0 1.0) Public Domain Dedication, or equivalent to:
 - i) code and metadata created in the course of the project; and

- d. obtain and maintain in force all authorisations of any kind required for you to apply the relevant Open Licence or Public Domain Dedication (CC BY 4.0 or CC0 1.0).
- e. contract to the effect that any creation by you or on your behalf of material which forms Digital Outputs is undertaken on terms that either the copyright in the digital material is assigned to you or that the copyright owner agrees that material may be shared under a CC BY 4.0 Open Licence or equivalent.;
- f. ensure that the Digital Outputs are kept up-to-date, function as intended and do not become obsolete before the twentieth anniversary of the Project Completion Date.
- g. comply with these Standard Terms of Grant in relation to the digital files that make up the Digital Outputs for the period agreed in the Grant Notification Letter. For the avoidance of doubt, this includes ensuring free and unfettered online access to the Digital Outputs. You must not release

your project's Digital Outputs on other terms without our prior written consent.

Grant payment and repayment

34. We will, up to the *Grant Expiry Date*, pay you the *Grant* or any instalment of it in line with these *Standard Terms of Grant* and the procedures explained in *Receiving a Grant* as long as:

- a. the Trustees of the National Heritage Memorial Fund continue to operate under the National Heritage Act 1980 (as amended from time to time), and enough funds are made available to us by the Department for Digital, Culture, Media and Sport; and
- b. we are satisfied that you are achieving (and will continue to achieve) or have achieved the *Approved Purposes* in line with these *Standard Terms of Grant* and that you are spending the *Grant* in proportion to any other funds you receive from other sources for the *Approved Purposes*.

35. You acknowledge that the *Grant* is the total amount of funds we will provide and will not be increased as the result of you overspending or for any other reason.

36. You must repay to us immediately any *Grant* that we have paid you (and we will stop any future instalments of the *Grant*) if:

- a. you no longer operate, or you are declared bankrupt or placed into administration, receivership or liquidation;

- b. you have, in our opinion, given us fraudulent, incorrect or misleading information;
- c. you have acted negligently in any significant matter or fraudulently in connection with the *Approved Purposes* or the *Approved Usage*;
- d. any competent authority directs the repayment of the *Grant*;
- e. there is a significant change in your status;
- f. you knowingly withhold information that is relevant to the content of your *Application*;
- g. you do or fail to do anything that brings us or any Government department/agency into disrepute, or which we consider for any reason puts public funds at risk, or we terminate or suspend any other grant we have given you;
- h. you fail to make good progress with the *Project* or are unlikely in our view to complete the *Project* or achieve the *Outcomes* agreed with us; or
- i. you fail to keep to any of these *Standard Terms of Grant*.

37. If you achieve the *Approved Purposes* without spending the full amount of the *Grant*, you must pay back the part of the *Grant* you have not spent. We will treat you as spending the *Grant* in proportion to other funds you were due to receive from other sources for the *Approved Purposes*.

38. If you sell or otherwise part with all or part of the *Property* without our permission under paragraph 23, or you receive money in some other way as a

result of you not following these *Standard Terms of Grant*, you may have to pay us immediately a share of the net proceeds if that share is more than the amount we would otherwise be entitled to under paragraph 36.

General terms

39. You may not, and must not claim to, transfer the *Grant* or any rights under these *Standard Terms of Grant*.
40. You must take all steps and sign and date any documents as may be necessary to carry out your obligations under these *Standard Terms of Grant* and to give us the rights granted to us under them.
41. If there is more than one of you, any liability under these *Standard Terms of Grant* will apply to you all together and separately.
42. We may rely on any of our rights under these *Standard Terms of Grant* at any time, even if we do not always choose to do so immediately. If we decide not to rely on one right, we may still rely on any of our other rights under these *Standard Terms of Grant*.
43. If you need our approval for anything, you must write to us to ask for it. You may only rely on any approval needed under these *Standard Terms of Grant* if we (or anyone we authorise) give it to you in writing.
44. Any notice, request or other document we or you send to each other under these *Standard Terms of Grant* shall be in writing and shall be deemed to have been given if personally delivered by hand or post (first class postage pre-paid) to the address for service of the relevant party.
