

REQUEST

Dear Mayor's Office for Policing and Crime,

How many demonstrations / marches / protests have there been in London?

Ok this request is about the amount of demo's, protests, marches in London since the coalition and the conservatives took control of the country and how it compares with other years and other leadership, at the moment it seems there are protests or demo's every week, sometimes on more than one subject matter, it would be good reading to find out how many signs of protest there have been since 2010
