Our Ref: MGLA300519-3683

3 July 2019

Dear [REDACTED]

Thank you for your request for information which the GLA received on 29 May 2019. Your request has been dealt with under the Freedom of Information Act 2000.

You requested:

*Dear Sadiq,*

*Could you let me know how much money has been spent on personal and work electronic devices for yourself and each of the assembly members? I do not mean desktop computers or printers, but other personal devices such as phones, laptops and tablets.*

*I would like to know make/model of each thing purchased, its cost and who it was bought for. Knowing this for each year of your term would be appreciated.*

Please find attached the information we hold within the scope of your request.

In some cases, where there is no device/cost shown for a particular Assembly Member this may be because they were provided with a device before the current Mayoral term, or that a device previously used by a former Member was transferred to a new Member. Alternatively, they may have preferred to use their own personal devices.

If you have any further questions relating to this matter, please contact me, quoting the reference MGLA300519-3683.

Yours sincerely
