

Finn Williams
North-West Area Manager Regeneration Development
Enterprise and Environment
Greater London Authority
City Hall
London
SE1 2AA

21st April 2017

Dear Finn,

I am pleased to confirm our intention to become a Founding Partner of the Public Practice and to commit £50k revenue funding over two financial years (FY17/18 and FY18/19), subject to our internal stage approvals. I expect to be in position to confirm formally by the end of May 2017.

Additionally, due to the close complementarity of our missions and fit with both Future of Planning and the wider Integrated Urban Planning programmes, we would be interested in hosting the initial three Public Practice staff members here at our Urban Innovation Centre from October 2017.

All very best

Scott Cain
