

## REQUEST

Please can you send any information that you have regarding the proposed sale of the Isle of Dogs police station, in particular:

A) is it proposed to sell on commercial terms?;

B) is it expected that the land would be subsequently redeveloped for commercial or residential purposes?;

C) has any consideration been given to the proximity of the station to Canary Wharf college Glenworth and whether the land could be used to enhance the facilities for that school, given the school lacks access to open space; and

D) has consideration been given as to how any future development would be carried out in a way which minimises disruption and disturbance to the two adjacent schools.
