If you are a company that intends to use the names of any officers provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference.

You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this link www.ico.org.uk.

For the avoidance of doubt the provision of officer names / contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR.

If you have any further questions relating to this matter, please contact me, quoting the reference MGLA161220-2119.

Yours sincerely

Information Governance Officer
