

REQUEST

Many thanks for your response to my earlier FOI (https://www.whatdotheyknow.com/request/homophobic_hate_crimes_reported_45?nocache=incoming-1022022#incoming-1022022) asking for numbers on homophobic hate crimes reported in Newham. I would like some further break down of those numbers if possible and would like to follow up that request with three more questions.

1. Could you provide me with the arrest, charge and conviction rates for the homophobic hate crimes reported in Newham from 2012-2017
2. Could you also let me know how many of the reported homophobic hate crimes were being made by Newham residents and those who live outside Newham. if possible could you please also provide a break up of the age and ethnicity of those reporting these crimes.
3. Could you also provide me with homophobic hate crimes reported in the same period (2012-2017) in the neighbouring boroughs of Hackney, Tower Hamlets and Redbridge.

Yours faithfully,
