

## REQUEST

I want to know how many wards/safer neighbourhood team you have shown that cover Westminster with a key focus on the West end and St James clusters.

Do you have any extra NT area with-in the Parent Neighbourhood area shown on the current plans, such as St James being shown as 3 areas Mayfair, Covent Garden and The Strand & Whitehall.

I would be grateful if I could have the most current data and if possible a map showing the boundaries as you have them recorded.

Also how many staff you have shown as needed to police these wards both Police Officers and PCSO's .
