Dear Victoria

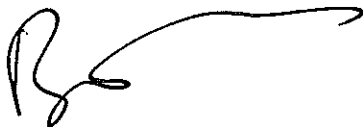

Public Toilets in London

Thank you very much for your further correspondence on public toilets.

I fully appreciate the points you make on the inclusion of GLA Group buildings in the Open London Scheme (recommendation 1 of the Assembly Report). However, as I concluded in my original response, I do believe that this would prove difficult to implement in practice given the security implications. As I said previously, GLA Group buildings are places of work and, for the most part, the toilets provided are for use by employees.

Thank you again for writing to me.

Yours ever,

Boris Johnson
Mayor of London
