

Dear

Please find attached data on planning approvals since 2011 in Islington. Note that the data supplied is for academic purposes only and the following conditions of use apply:

- The data is provided for the purposes of your personal or not-for-profit research only. You are not permitted to use the data to derive profit or to support any commercial activities.
- The data provided remains copyright of the London Local Authority (LLA) that supplied the data to the London Development Database.
- You are not permitted to sell, sub-license, distribute or otherwise make available the data to third parties without the prior agreement of the copyright holder.
- All reasonable endeavours must be made to ensure the security of the data so it is not used for any purpose in breach of these conditions of use.
- The London Development Database must be acknowledged as the source on all charts, tables, maps or other forms of presentations derived from the data.
- The data may not be used for any deceptive, misleading or unethical purpose or otherwise in a way that may be detrimental to the reputation of the data suppliers, the database or any other individual or organisation.
- You must provide a digital copy of the final report, findings or other outcome of your research to which the data contributed to the Greater London Authority via the Spatial Strategy Data Team (iddteam@london.gov.uk).

If you have any questions, please do not hesitate to contact me.

Kind regards

Senior Data Officer
