Dear [REDACTED]

## **Freedom of Information request**

Thank you for your email dated 21<sup>st</sup> January 2019.

You asked how many full-time and part-time chartered ecologists have been employed in-house by the GLA over the past five years from 1 January 2013 to the present day.

I can confirm that between those dates the GLA employed the following staff who were members of the Chartered Institute of Ecology and Environmental Management (CIEEM):

January 2013 – September 2015: one full-time

September 2015 – December 2017: two full-time

December 2017 – November 2018: two full-time and one part-time

November 2018 – present: one full-time and one part-time

If you have any further questions relating to this matter, please contact me, ensuring that you quote the reference at the top of this letter.

Yours sincerely
